SHOCK - Motoforce Racing

R1,650.00

Motoforce RACING is well known for high-quality tuning parts at affordable prices.

This sport shock absorber has a progressive spring, which offers sporty/stiff adjustment; also suitable for daily use.

Spring preload can be continuously adjusted via the black anodised nut.

First-class finish thanks to the CNC-machined, anodised mount and the coated spring.

Attention: Some scooter models have longer/ shorter shocks. This shock has a length of 28 cm; differences of no more than +/- 2.0 cm are no problem.
